

JLP-A SERIES 1/4 TON MINI-PULLER, 5' LIFT

287100

JET® JLP-A Series lever hoists combine safety, reliability, and durability that are designed to perform in light to medium-duty industrial applications. The patented Brake Wear Indicator increases safety by letting you know when to replace the friction disks. JET® also offers the option of shipyard hooks, virtually eliminating stretched hooks caused by point or tip loading. The JET® JLP-A lever hoist is available in ¼ ton to 6 ton capacities with standard lifts of 5, 10, 15, and 20 feet (custom lifts available). The JET® JLP-A Series is the perfect choice for a contractor grade lever hoist.

FEATURES

- Safety
- Weston Style, double pawl brake design splits the load to opposite sides of the ratchet gear for greater load security
- Industrial rated alloy steel hooks rotate 360 degrees for easy rigging
- Hooks slowly stretch to indicate an overload situation increasing jobsite safety
- Durability
- Cast steel safety latches are secured with Allen screws and lock nuts
- Grade 80 black oxide coated for added durability
- Needle bearing design increases efficiency and promotes smooth operation
- Compact Design- Smaller body and lightweight design for low headroom applications and use in confined areas
- Standards
- This product complies with ANSI / ASME B30.21 and HST-3 Impact resistant all steel construction for added durability and protection
- Load tested to 125% of capacity with certificate

JET RED ASSURANCE LIFETIME WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
